

Confidence Kit™

Confidence Kit™ provides the business owner with peace of mind that your basic accounting, taxation and compliance needs are being fulfilled in a timely and compliant manner, in particular your taxation (ATO) and corporate regulator (ASIC) obligations. This service is provided for a fixed annual fee.

Confidence Kit includes:

Periodic financial management reports, financial reports to present to financiers and shareholders, lodgement of ASIC forms and annual tax returns (Income, FBT), review and preparation of Goods and Services and Payroll Tax returns and Income Tax planning review.

As part of the Confidence Kit FINH will conduct periodic advisory meetings where we set the basic agenda, take minutes and present an action plan back to you.

Who Uses Confidence Kit™?

- Business Owners who want to be confident that their Accounting and Taxation requirements are always on track.
- Businesses that require a professional accounting service and a minimum of administration.
- Time poor business owners who know their organisation would benefit from regular quarterly planning meetings.

What are the Benefits of Using Confidence Kit™?

- More time to focus on business growth activities.
- Your business is fully compliant at all times.
- Clear concise view of your business for financiers and shareholders.
- Assistance to claim grants or tax incentives to make your business more competitive by encouraging R&D activities.
- A robust platform enabling expert planning for the future structure and growth of your business.
